**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I depend on broadband connectivity to conduct business. The ISP I chose provides better pricing and customer service than their competitors. I also get telephone service from this vendor at a much better price.

Without competitive carriers prices will raise unabated. I strongly support broadband competition.
